

Reason

Verse 1

This year's felt like four seasons of winter
And you'd give anything you think to feel the sun
Always reaching always climbing
Always second guessing the timing
But God has a plan a purpose in this
You are His child so don't you forget

Chorus

He put that hunger in your heart
He put that fire in your soul
His love is the reason
To keep on believin'
When you feel like givin' up
When you feel like givin' in
His love is the reason
To keep on believin'

Verse 2

If we could pull back the curtain of Heaven
We would see His hand on everything
Every hour every minute every second
He's always been in it

Don't let a shadow of a doubt take hold
Hold on to what you already know

Bridge

He's the peace in the madness
That you can't explain
He's the hope in the heartbreak
The rest in the suffering
He's closer than the air you breathe
From the start to the end to the in between
Don't you dare doubt even for a minute
What He started in you
Yeah He's gonna finish
